Dear Class of 1963,

On behalf of the seniors, the yearbook staff and administration, I would like to thank you for your very generous gift. The seniors were so excited to hear that they would each receive a yearbook at no cost to them. When they were told that the class of 1963 was purchasing the books, they jumped up and began cheering! It was a wonderful surprise. They have worked so hard and deserve all the good that comes their way. We are so grateful to you for helping to make their senior year a special one.

We are also thankful for the additional three hundred dollar gift and your ad purchase. Your financial commitment is very much appreciated.

Thank you again for your generosity!

Sincerely,
